Status and context of the document	IV
Introduction	1
Using this guide	1
Standard 3.1.1	
Interpretation and Application	4
1 Interpretation and application	4
2 Meaning of safe and suitable food	10
3 General application of the Food Safety Standards	12
4 Compliance	12
Standard 3.2.2	
Food Safety Practices and General Requirements	14
Division 1 — Interpretation and application	14
1 Interpretation	14
2 Application of this standard	18
Division 2 — General requirements	18
3 Food handling — skills and knowledge	18
4 Notification	22
Division 3 — Food handling controls	25
5 Food receipt	25
6 Food storage	29
7 Food processing	33
8 Food display	44
9 Food packaging	51
10 Food transportation	55
11 Food disposal	58
12 Food recall	61
Division 4 — Health and hygiene requirements	65
Subdivision 1 — Requirements for food handlers	65
13 General requirement (on food handlers)	65
14 Health of food handlers	66
15 Hygiene of food handlers	69
Subdivision 2 — Requirements for food businesses	77
16 Health of persons who handle food — duties of food businesses	77
17 Hygiene of food handlers — duties of food businesses	79
18 General duties of food businesses	82
Division 5 — Cleaning, sanitising and maintenance	85
19 Cleanliness	85
20 Cleaning and sanitising of specific equipment	86
21 Maintenance	91

Division 6 — Miscellaneous	92
22 Temperature measuring devices	92
23 Single use items	96
24 Animals and pests	98
25 Alternative methods of compliance	101
Standard 3.2.2A	
Food Safety Management Tools	106
Summary	106
I Name	106
II Definitions	106
III Application of this standard	107
IV Category one business	109
(i) Definition of category one business	109
(ii) Food service	110
(iii) Food safety management tools required for category one businesses	111
V Category two business	112
(i) Definition of category two business	112
(ii) Food safety management tools required for category two businesses	114
VI Prescribed activities	114
VII The food safety management tools	116
(i) Food safety training for food handlers engaged in a prescribed activity	116
(ii) Supervision of food handlers	118
(iii) Substantiating food safety management of prescribed activities ('evidence tool')	121
Attachment 1: Decision tree for Standard 3.2.2A	128
Attachment 2: Keeping evidence of food safety management	130
Standard 3.2.3	
Food Premises and Equipment	136
Division 1 — Interpretation and application	136
1 Interpretation	136
2 Application of this standard	137
Division 2 — Design and construction of food premises	138
3 General requirements	138
4 Water supply	144
5 Sewage and waste water disposal	149
6 Storage of garbage and recyclable matter	150
7 Ventilation	153
8 Lighting	155
Division 3 — Floors, walls and ceilings	157
9 Application	157
10 Floors	157
11 Walls and ceilings	160

Division 4 — Fixtures, fittings and equipment	165
12 General requirements	165
13 Connections for specific fixtures, fittings and equipment	172
14 Hand washing facilities	174
Division 5 — Miscellaneous	181
15 Storage facilities	181
16 Toilet facilities	182
17 Food transport vehicles	184
Appendices	188
Appendix 1: Potentially hazardous foods	188
What food is potentially hazardous?	188
What food is not potentially hazardous?	189
Further information	190
Appendix 2: Time as a control for potentially hazardous food	191
How does this work in practice for hot food?	192
The 2-hour/4-hour rule for ready-to-eat potentially hazardous food brought out of refrigeration	193
Applying time as a control for potentially hazardous food	195
Appendix 3: Limits for food processes	199
Appendix 4: Foods requiring special care	203
Aged meat	203
Doner kebabs	204
Eggs	205
Fish	206
Kombucha	206
Poultry	207
Raw and rare meat dishes	208
Rockmelons	209
Sous vide foods	209
Seed sprouts	210
Vacuum-packed and modified-atmosphere-packed chilled food	211
Vegetables and fruits in brine, oil or vinegar	212
Appendix 5: Cooling of meats after cooking	213
Appendix 6: Cleaning and sanitising surfaces and utensils	214
Cleaning	215
Sanitising	216
Cleaning and sanitising procedures and records	221
Further information	222
Appendix 7: Pest management	223
Appendix 8: Template examples	224
Template 1 — Supplier Details	225
Template 2 — Food receipt	226
Template 3 — Cooking and cooling food	227

Template 4 – Food temperature record sheet (multi use): e.g. for food display	228
Template 5 — Log for 2-hour/4-hour rule	229
Template 6 — Cleaning and sanitising procedure	230
Template 7 — Cleaning and sanitising record (2 weeks)	231
Template 8 – General temperature record (multi-use) e.g. cooking, reheating, refrigeration	232
Appendix 9: Temporary and mobile food premises	233
What are temporary food premises?	233
What are mobile food premises?	233
What requirements apply to temporary and mobile food premises?	234
Information on specific requirements	234
Standard 3.2.2	234
Standard 3.2.2A	239
Standard 3.2.3	239
Appendix 10: Home-based food businesses	246
What is a home-based food business?	246
What requirements apply to home-based businesses?	246
Information on specific requirements	246
Standard 3.2.2	246
Standard 3.2.2A	248
Standard 3.2.3	249
Appendix 11: Food safety culture	253
Why is food safety culture important?	253
Preventable problems	253
Where to start	253
What does a strong food safety culture look like?	254
