PROPOSAL – ADMINISTRATIVE ASSESSMENT

P1013	Date Administrative Assessment Completed (proposal prepared): 22 July 2010	
<p>Title: Code Maintenance IX</p> <p>Brief Description of Proposal: To make amendments to Standards as considered necessary for reasons of clarification and to correct minor typographical errors or inconsistencies, including updating references, amendment or deletion of outdated provisions, correcting some typographical and formatting issues, and correcting cross references.</p>		<p>Potentially Affected Standards in the Code:</p> <p>Various Standards</p>
<p>Procedure: General Reasons why: Consultation is not normally considered necessary for minor amendments to the code. However, as this proposal includes issues of clarity a single round of consultation is appropriate.</p>	<p>Estimated total hours: Up to 650 hours Reasons why: Numerous general amendments throughout the Code to be identified from the running list of issues as well as from the issues identified in the legislative audit of the Code. However there will be limited social or economic impact, no need for an assessment of the risk to public health and safety, and simple assessment of risk management requirements.</p>	<p>Estimated start work: August 2010</p>
