### Re: Code Maintenance X– Call for Submissions

FTA Australia has reviewed this [Proposal](#) and endorses the following comments of the Technical Sub Committee:

The Committee agreed with this Proposal to permit correction of minor grammatical, typographical errors and update editorial and references, etc without comment.

However it was interesting to note that point 9 of this Proposal concerning substituting “an” for “a” when used before a word starting with “M” caused an interesting debate and after investigation it was resolved that the correction is in order.

[REDACTED]

We would appreciate being maintained on the circulation list for any changes in this matter and to receiving notification of the next step concerning this [Proposal](#).

Yours sincerely,

Jeroen Rens  
PRESIDENT – FTA AUSTRALIA
