**Subject:** Submissions for P1022 & P1017 re Raw Milk

Hello

I am a consumer who would like to contribute to the fight for raw milk sales in Australia. I don't know how the 'submissions' work and was wondering if they are only for producers and sellers of milk or if the general public can also submit.

If as a member of the general public I can submit, are you able to tell me how it works and what exactly it is that I submit? Is it just a letter explaining why what I want as a consumer?

Thanks kindly
