Dear Sir / Madam

Submission – Proposal P1040 - Code Revision – Consequentials & Corrective Amendments II

Thank you for the opportunity to provide a submission on the Call for Submissions paper for Proposal P1040.

The purpose of this submission is to describe an error in the Draft Variation to the revised *Australia New Zealand Food Standards Code (the Code)*. The submission does not represent a Queensland Government position, which will be a matter for the Queensland Government should notification be made by the FSANZ Board to the Australia and New Zealand Ministerial Forum on Food Regulation.

The error pertains to item [15] in the Draft Variation to *the Code*, pertaining to **Schedule 1 – RDIs and ESADDIs, Section S1-2 (Notes)**. Currently, there are four Notes to the Table to S1-2, corresponding to the four superscripts in the Table, with each relating to a different vitamin. In Proposal P1040, the current Note 4 has been deleted, without renumbering the superscripts in the Table. Note 3 in Proposal P1040 references paragraph 1.1.2 – 14(3)(c), concerning Vitamin E. We submit that superscript 3 should be reassigned to Columns 3, 4 and 5 for Vitamin E, thus correctly aligning to Note 3, referencing paragraph 1.1.2-14(3)(c).

Should you require further information in relation to this matter, please contact Food Safety Standards and Regulation, Health Protection Unit, Department of Health on (07) 3328 9310 or at foodsafety@health.qld.gov.au
